This is my second marriage and my last - my husband is what I consider perfect! Don and I have been married 8 years and just celebrated our 2nd anniversary. Don picked our wedding date: February 29, 1968. Consequently, we only have an anniversary every 4 years. We have a little boy who is all boy and is now going through I.Q. tests as he is above average intelligence - he is also quite large for his age: 4'3" and weight is 70 pounds - as you may recall, I was always quite 'big' too!!! During the past 3½ years I have had major surgery 6 times and now seem to be in perfect health. Besides my husband and son about the only other outstanding thing that has happened to me is the fact that I was the first woman to ever work in an Automobile Dealership Service Department - I was called "Miss Fordland" and I wore a red uniform and did Public Relations work. 3455 Endicott Drive, Boulder, Colorado 80303

Children: Andrew, 6
David is Professor and Chairman, Department of Anthropology, University of Colorado. "After Ph.D. at C.U. in 1965, I taught at State University of New York - Buffalo, Univ. of Wyoming then back to C.U. I've done field work in the Sudan, Africa and the South Pacific, Micronesia."

SAUNDRA McQUIGG KELLY (Mrs. Monte W.)

3226 Xenophon, San Diego, California 92106

Children: Kay, 14 ; Christine, 12

Sonnie did give us a call but refused to put anything in writing. Husband Monte is a veterinarian. She's a suntanned California blonde.

GERTRUDE (TRUDY) ROSE BERRYMAN (Mrs. Ralph)

443-8485

1960 Violet, Boulder, Colorado 80302

Children: Mike, 15 ; Jim, 13 ; Tod, 11 ; Paul, 8 ; Paige, 5

Trudy is a bookkeeper for C & M Companies. Her husband is an electrical contractor. "I am active in Boy Scouts and we collect antique furniture.

Ralph has his own electrical contracting firm and employs about 20 men so it has kept us pretty busy. Of course, five kids keep us busy, too."

RODNEY SHEPHERD (Sharon)

442-8382

6912 Old Stage Road, Boulder, Colorado

Children: Scott, 18 ; Brett, 16 ; Troy, 14 ; Chad, 12 ; Lisa, 8

Rodney owns Boulder Metal Products and says working is his biggest hobby - that he's married to the business. Then how does he find time to ski, play golf, go camping, water ski, go bowling and keep up with all the many activities of 5 children? Rodney and Sharon won't be able to attend the reunion because they'll be on a houseboat on Lake Powell for a week's vacation.

Maybe these people agree with Ogden Nash (as quoted to us by Pat Romine Peterson) when he says:

"When called by a panther, Don't anther!"
